Dear Reeve Bourgouin:

Re: Principles of Municipal Services Memorandum of Understanding

In response to your October 22, 2010, memo on the above, I am pleased to support the concepts contained therein with regard to the ultimate development of a formal Memorandum of Understanding between the City of Winnipeg and the R.M. of Rosser.

I understand that productive discussions have been occurring between the two parties at an administrative level and will be presented shortly for political approval.

In closing I would like to thank you for all your hard work and initiative in this matter.

Yours sincerely,

Sam Katz
MAYOR
